How to reigster for the COVID-19 vaccine

Westfield Regional Health Department

908-789-4070 | health@westfieldnj.gov | www.westfieldnj.gov/health

Step 1: Pre-register online at covidvaccine.nj.gov

Enter your name, email, and some other information that will help determine when you will be eligible for the vaccine.

Step 2: Check your email

Check your email. Once you've completed the pre-registration, you should receive an email from a sender similar to "DOH-No-reply CovidVaccine." Be sure to check your junk mail/spam folder.

Step 3: Schedule appointment

Monitor your email (including junk/spam) for further instructions. When appointments are available, you will receive another email stating you can now schedule your appointment.

Step 4: Choose appointment location

Click the link in the most recent email to browse and choose a vaccine location from the list. You will be asked to provide your date of birth for verification.

View all New Jersey vaccination locations here.

Please be sure to schedule appointments at all sites to which you are able to travel.

For seniors who do not have internet access, call the Union County hotline to schedule appointments (if available): 908-613-7829
